SATURDAY......NOVEMBER 18, 1876

A Warning from Louisiana. [New Orieans Democrat, 14th.] The Returning Board's false and fraudulent return for Hayes and Wheeler, we assume, will be set aside by the action of the joint assembly of the two houses of Congress, which meets on the first Wednesday of February, 1877. This will be done either by the direct vote of the two houses or by the exclusion of the vote of the State,

which will produce one or the other of the results that must elect Mr. Tilden.
This will follow if the joint assembly, after excluding Louisiana, proceeds to count the remainder of the electoral college in which Mr. Tilden has the constitutional majority, or if no choice being had by the the House proceeds to elect by States. In either event, Mr. Tilden is secure and certain.

It may be a serious consideration for our friends, who confine their views to the national aspects of these returns, whether, after the employment of the Federal troops to enforce the return of the Returning Board in regard to State officers, Grant may not feel himself authorized and justified in sending the military to the national capital to declare and validate the return for Hayes

and Wheeler. Whether the northern people will submit to such an outrage in regard to the presi-dency, we feel assured that the people of Louisiana will never submit to the military dictatorship which would be proclaimed by such action in reference to their State government. Hence the inseparability of the two questions. The Louisiana case must be nationalized, both in regard to the national and the State governments. The gentlemen who have so generously espoused our case, and hastened to afford their aid and counsel in its peaceful solution, must bear in mind the necessity for this scope of their decision and influence. They must see that if we are to have Tilden and Hendricks for President and Vice-President, we must also have Nicholls and Wiltz for Governor and Lieutenant-Governor.

[From the New Orleans Democrat, 14th.]

The Returning-Board Programme. The Democrats and Conservatives have carried this State by a majority of 7,915 votes. The election was fair and peaceable, and in no free State would the result be questioned for a moment. The desperate and unscrupulous men, however, who control the Radical party and hold the extraor-dinary machinery of the Louisiana State Government, do not intend that this result shall be accepted, and propose to reverse the decision of the people through the medium of what they term a Returning Board. Their plan is, through that Board, to throw out the votes of the following parishes, which gave the majorities stated for Tilden

The grounds upon which it is proposed to throw out the votes of these parishes are not clearly stated, and we are left entirely to conjecture. The East Feliciana majority is to be annulled, we presume, because the Radicals, finding that the parish was going against them, refrained from voting with the purpose of swearing that they were prevented from doing so. The West Feliciana majority will be reversed because Mr. Thomas C. West, the Democratic candidate for sheriff of the parish, was foully murdered by assassins hired by Radical leaders to do the job, and because a few nights before the election an at- an assertment of MEDICATED LOZENGES em tempt was made to assassinate Governor Wickliffe, Democratic candidate for elector, and Charles Fischer, Esq., a prominent lawyer and Democrat in the same parish. Quachita will be excluded from the count cause the colored voters, disgusted with the Radical officials, and desiring the resto-ration of honest and efficient government in ration of honest and efficient government in their parish, voted the Democratic ticket in large numbers and carried the parish no 8 1216 Main street. large numbers and carried the parish against the rogues who have dominated it for years. Morehouse will be disfranchised, if the villainous scheme can be carried out, because several leading Democrats were murdered during the canvass, and the parish kept in turmoil by the white men of their party. East Baton Rouge is to be disfranchised because too many colored people joined the Democratic party and voted for Nicholls and Wiltz rowdy bands of Radical negroes, incited by party and voted for Nicholls and Wiltz. a majority for Tilden; Claiborne because GLYCERINE AND CANTHARIDES it has given an unpleasantly large Democratic majority. Union is condemned be-cause it has nearly doubled its Democratic majority of 1874; and, finally, DeSoto, because it is a Democratic parish.

AN ELECTORAL TROUBLE HERE, TOO .-New Orleans, November 15—11 P. M.—It has been discovered that in the parishes of Iberia, Iberville, West Baton Rouge, and St. Martin the Republicans voted for only oc 6 corner Ninth and Main streets. three electors-the electors at large and the elector for the district. This may reduce the vote for five Republicans so much that it will make it impossible for the Returning DR. D'ARMSTADT'S Board to count in more than electors. Seven hundred troops will be unclear arms to-morrow as a guard for the Returning Board, and General Sheridan will be in command. Northern and eastern capitalists are stopping their remittances and closing business relations with New Orange Constitution of the Philadelphia Times.

SIGNIFICANT ACTION IN LOUISIANA.—At a meeting of the Democratic-Conservative State Central Committee the following was

Resolved, That the president of the State Central Committee be requested to notify the people of the State of the necessity of vigilantly watching night and day the ballotboxes and the returns lodged with the clerks of the district courts to prevent tampering I. W. PATTON, therewith. President Democratic-Conservative State

RIVAL COLLEGES OF ELECTORS.-It is assumed very generally that should the Returning Board of Louisiana throw out sufficient parishes to show a majority for the Radical electors the legally-chosen college of electors will also send up returns to the CHINA, GLASSWARE, PLATED GOODS. president of the United States Senate, and that these rival returns being before the Congressional Convention, with no power in either house of the Convention to choose or reject either set, both will be thrown aside.-Mobile Register.

What Hayes is Reported to Have Said. Ex-Governor Noyes, of Ohio, according to the Cincinnati Commercial's special from New Orleans, is reported to have said that he had authority for saying that Governor Hayes said he did not intend to permit any unfairness, and rather than to go into office under the slightest suspicion of wrong, he would publicly decline to go in at all.

Mr. Stuart left Columbia with the impression that the Court would rule fairly and not tolerate any violation of law by the Board, in which case South Carolina will give 1,898 majority for Hampton and about 1,000 for Tilden—as this is the way the ballot stands. Mr. Stuart says the feeling in South Carolina is intense, and if the Radicals perpetrate a fraud there is no foretelling the result.

In parting with Mr. Stuart he [Judge Willard] remarked to him, "We must have peace."-Staunton Vindicator.
